DHRUV JOSHI

• Diploma Engineering student at Government Polytechnic Dehradun - building web applications and learning data analysis with Python •

PROJECT EXPERIENCE

CampusConnect Project Lead
Personal Project - Government Polytechnic Dehradun

- Built a full-stack campus-focused web application with user authentication and event management.
- Designed and implemented responsive UI components using HTML, CSS, and JavaScript.
- Deployed the application on a cloud platform with automated testing and CI/CD pipelines.

Personal Portfolio Developer
Personal Project - Remote

- Designed and developed a responsive portfolio website showcasing projects and skills.
- Implemented interactive features using JavaScript and modern web technologies.
- Optimized site performance and accessibility across multiple devices.

Data Analysis Learner
Self-Study - Online Courses

- Learned Python fundamentals for data manipulation and analysis using Pandas and NumPy.
- Analyzed student engagement metrics to identify trends and insights.

EDUCATION

Government Polytechnic Dehradun - Dehradun, India
Diploma in Information Technology
Expected graduation: 2026

TECHNICAL SKILLS

Python
● ● ● ● ●

HTML / CSS
● ● ● ● ●

JavaScript
● ● ● ● ○

Data Analysis (Python)
● ● ● ○ ○

Web Development
● ● ● ○ ○

Version Control (Git)
● ● ○ ○ ○

PROJECTS

CampusConnect - built a campus-focused web app with user authentication, event calendar, and resource sharing (Python, Django, Postgresql)

Personal Portfolio - designed and deployed a responsive portfolio site showcasing projects and skills (HTML, CSS, JavaScript)

Data Analysis - exploring Python libraries (Pandas, NumPy) to analyze student engagement metrics

SOFT SKILLS

In today's dynamic work environment, soft skills are more important than ever. These skills, such as effective communication, teamwork, and adaptability, are essential in building strong professional relationships and navigating the complexities of modern workplaces. Developing empathy and active listening can enhance your ability to collaborate with colleagues, while problem-solving and critical thinking skills enable you to tackle challenges with creativity and confidence. Investing in these soft skills not only boosts individual performance but also contributes significantly to the overall success of any organization.

- **Typing Speed** - 82 WPM peak, 60 WPM average with 95% accuracy.

Statistics at keybr.com

- **English communication -** confident public speaking and clear documentation.
